

NUDE IS LIKE A TREE

Golaya Svenya: Why are you mooing like a cow?

Murka Pateomka: I'm not mooing, I'm purring...

Golaya Krosavetza: Am I being irrational, or are we being watched?

Gosha Pasha: That's remarkable! Every time we get together and do this thing you feel like we're being watched. That's not normal!

E Natasha: What is it exactly that we're doing?

Gosha Pasha: We're... you know... we're just being together, just sticking together... becoming integrated into the environment.

Nu Debiel: What's not normal?

Ruskaya Svetta: Nu Debiel, get off my foot! You're standing on my foot!

Bolshaya Yama: No... don't move! If you move you'll fall into the realm of The Adult Entertainment Industry where movement is incessant and mandatory.

Ruskaya Sveta: Have you ever worn clothing or has it always been just paint?

Golaya Krosavetza: Yes... I felt completely objectified. Wearing clothing does that to people. With clothes there's always a part of you that remains naked. And that part strikes out and seduces. Nude is like a tree... it's just there.

Nu Debiel: Don't say tree. We are Nudist... like forest. Tree is individual. If you start thinking tree - you might as well wear clothes.
