

**Buy a lot of candy**

**Take a chair**

**Place the pieces of candy**

**On the chair**

**Untill it is covered**

**Invite a child to your home**

**Place the chair**

**In the middle of the room**

**Take a lump of clay**

**Try to make it look**

**Like the missing link**

**Between a piece of clay**

**And an ashtray**

**Take a pond**

**With edges like a pool**

**Collect the stones**

**Off its shore**

**Lift them up**

**To the height of a table**

**Place the stones**

**On the edges**

**Then look at the artifacts**

**From another angle**

**Like a fish/frog**
